Duchy of Cornwall Report

Councillor Rawlings read out a report on behalf of Luke Humphries, Land Steward Cornwall updating on the Duchy Estate's activities over the last 12 months.

In September the most exciting thing to happen in the last 12 months was the release of 80 water voles in two locations on the river meadows at Restormel, studies will continue to monitor how this population survives. Sadly, fish counting with the Lostwithiel Angling Association and Wild Trout Trust has revealed that numbers of trout and salmon have sharply declined in the last decade. Following the annual breeding bird surveys, it was revealed that there are a total of 53 species including some red listed birds of conservation concern. The Estate has also begun to think about the

possible arrival of beavers, although it is not known when or if the species might find their way to the Fowey Valley.

Following on from last year's woodland planting report, the Duchy has set an ambitious target to reach carbon net zero by 2032.

The tenant farmer has stopped putting stock out in some fields due to dogs being off lead. A plea and a reminder to the community to please keep to the Countryside Code and stick to the marked footpaths and keep dogs on leads

The Duchy's Head Forester, Geraint Richards has chosen to become High Sheriff of Cornwall this year.

Councillor Henderson read out a report on behalf of Peter Berry.

As you may be aware, Scouts (youth sections) have been absent from Lostwithiel for the last 3 years. However, at the end of 2024, following a meeting with the Trustee Board, plans were put in place to restart provision in Lostwithiel and following a successful recruitment campaign, there is now confidence that the required adult support will be in place in order to put firm plans in place. The aim is to get at least one section up and running before the summer.

Peter hopes that soon Scouts in Lostwithiel will once again be thriving and a key member of the local community. Opportunities to connect and engage with the local community would be welcome and any assistance the group can provide in that respect would be appreciated.

If anyone here would like to find out more about volunteering with Scouts please drop an email to

The Church has continued to hold a service on each Sunday throughout the year. The 2nd and 4th Sundays are informal gatherings with coffee and a variety of activity in which everyone is invited to join. In the coming year the Church leaders hope to develop this informal style for the 1st and 3rd Sundays also.

The church is a designated warm space in which Coffee Mornings have been held on the last Thursday of each month. The coffee is free but people are encouraged to give to the charity which the church supports each year. This last year the charity was 'Go Beyond' formerly Chicks. Following a presentation on work in South Sudan the church decided to support 'Tear Fund' by twinning the Churches Toilet.

In addition to the Thursday charity giving the church supported appeals for the Foodbank, Action for Children, Rotary Shoeboxes, Gaza Emergency appeal, MRDF and St. Petroc's. Unfortunately, the 'Christmas Gifting' with St Barts did not take place because of lack of funds. It is hoped to restore this event in the coming year when 'The St Pirran Trust' is established for those over 70 and the lonely living in Lostwithiel.

Two wooden planters were donated and planted in memory of Mr. & Mrs. Bill Kirby.
